New to AHH - Displays referrals posted to the AHH within the last three days

New to Prov Queue - Displays referrals automatically assigned to the provider queue (on the AHH) in the last 3 days or manually assigned by a user

Scheduled – Use as the waiting list for youth scheduled for an interview; youth contacted and eligible for admission but have not yet been admitted

Admitted - Youth currently admitted to the programs the user has access to; youth come off this list once transition is completed in system

Canceled – referral has been removed from the Hub

In Progress - Shows a list of progress notes created and saved in draft form by the user

Progress/Assigned Work - Deactivated user's progress notes in draft (only viewable by AHHADM)
